Dark Injection Windows Installation Dark Injection Mac Installation Dark Injection about Dark Injection Dark Injection FAQ Dark Injection for Spore: Galactic Adventures v1.7.4 (10/29/2011) It appears that the download for this mod was broken. I have tried multiple times, but I can not get my save game to work in Spore . Sep 14, 2012 I recently was updating my Spore installation when I thought I was up to date. It updated but I didn't see anything new. I've uninstalled and reinstalled it, and for some reason nothing has changed. I can access the Dark Injection installer, but it says my version is out of date. Oct 31, 2018 Remove the mod For me, the Dark Injection Mod was throwing errors in the Spore Editor, and would not let me install or save from my game. Aug 16, 2018 I am getting an issue where if you open the mod with SPE my whole program freezes. Aug 18, 2018 I have been having a problem with the DarkInjection If I select the Creature Editor, and try to open/save/load I get the error: "Fatal error: Loader: Cannot load resource:. My Save Games that contain Dark Injections are all broken. " Aug 20, 2018 I tried to make a game and it worked just fine, when I went into the save file the dark injections were there and everything seemed to be fine. I saved it and opened it up again and now when I try to make a new game none of my creature creatures or the list editor work. Please help. Aug 20, 2018 I tried to use Dark Injection with an existing game using Spore and it threw an error saying my game was invalid Aug 20, 2018 I accidentally removed the mod and now I cannot install it through the mod api. How can I get it back? Aug 21, 2018 I recently downloaded an editor for Spore Galatic Adventures called Dark Spore. It says I need the mod for it, but it won't let me install it. Any help? I recently downloaded an editor for Spore Galatic Adventures called Dark Spore. It says I need the mod for it, but it won't let me install it. Any help? Aug 21, 2018 I deleted Dark Injection from
